Swiss Protective Measures

- Switzerland
- ✓ Wearing masks is recommended, if you can't keep the distance of 2 meters, anyway it is not mandatory.
- ✓ Borders will open from June 15th, 2020 for the most European countries
- ✓ Up from June 8, 2020 groups with up to 30 people in all public areas are allowed. Until the 8th of June, a maximum of 5 people are allowed in public areas
- ✓ Shops, Groceries & Restaurants are open on regular opening hours. They need to provide a clear protective plan aligned to the government regulations.
- ✓ Sightseeing attractions and public areas are accessible with regulations
